

SPECIALIST PENSION TRUST

Setting your tax obligations free! Introduction

This Pension Trust is a specialised tax vehicle which shelters your pension from tax obligation.

It complies with all known UK Tax Laws and is Finance Act 2011 approved.

The HMRC is aware of every case, and no case has yet been challenged in any

court of law within the UK.

The trust allows anyone with a pension worth £60,000 or more to shelter it from tax, both for their life and for their beneficiaries.

Currently, over £7 billion has been sheltered using these commercial UK Offshore trusts. The

Trusts have been in operation over more than 20 years.

The Pension Trust is a highly technical product designed and implemented by renowned UK legal professionals and wealth strategists.
